## GENERAL PURPOSE AND INDUSTRIAL HAND HELD SCANNERS

### **OVERVIEW**

Datalogic's Hand Held Scanner product line offers products and solutions for automatic data capture and process automation throughout the customer's entire value chain in the Retail, Manufacturing, Transportation & Logistics and Healthcare industries.

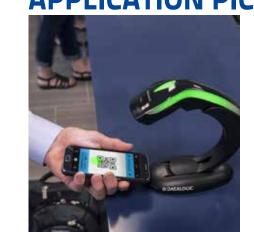

The wide range of general purpose hand held readers offer a variety of choices for most data collection activities. Product sets propose corded and cordless options together with best in class reading technologies, ready to solve current and future needs and applications.

Datalogic's PowerScan industrial hand held readers are data collection's definitive example of ruggedness and durability, coupled with outstanding performance and unyielding reliability.

## **TECHNOLOGIES**

- Linear and area imaging technology for 1D and 2D bar codes
- ■Bluetooth® and Datalogic's STAR Cordless System™ radio connectivity
- Datalogic's exclusive 3GL™ (3 Green Lights) and 'Green Spot' technology
- •Great ergonomics and outstanding design
- Rugged enclosures; Durable and reliable
- Healthcare models with Disinfectant-Ready enclosures and anti-microbial additives
